

Dear parent/carer,

I hope you have had a well-rested and relaxed half term holiday!

Here is some information from Amazing Apprenticeships specifically for parents of young people who are looking for an apprenticeship in the coming months.

This contains information about World Skills Live UK which is taking place in Birmingham and we will be taking our year 11 and year 13 students to. There are also a number of guides available online through the pack, which contains information about higher and degree apprenticeships, alongside current vacancy information.

All year 11 and year 13 students will be offered a careers interview with an independent careers advice and guidance officer who will be supporting students in half term 2 with their next steps.
