Dear Parent/Carer

Does your daughter enjoy problem solving and working in a team? Perhaps she likes science or maths or has good practical hands on skills? These are the skills that many employers in this region are looking for.

Women into Manufacturing and Engineering (WiME) is a Humber based programme led by industry to inspire girls and women to consider careers in the manufacturing and engineering sector.

We are running an event on 3rd March at the Baths Hall in Scunthorpe from 5pm to 6:30pm and we'd love to invite you to come along with your daughters to find out more about the amazing opportunities.

We find that the girls and women who visit our events really benefit from hearing first hand from the women who are already working in these industries as well as having a go at engineering activities to test skills and grow confidence. For more details and to reserve your place please follow this link

<https://www.eventbrite.co.uk/e/wime-public-careers-fair-scunthorpe-tickets-90586977087>

I thought it would be helpful to give you a list of the companies that will be there so you can carry out relevant research on them.

Abbey, Airco, Ansell, Army Royal Engineers, Cristal/Tronox, Croda, East Riding Council, EDF, EDS HV, GEV Group, Humber Construction Training Group, Humberside Police, Jacobs, knauff, LMI, Luxinar, NCS (Education Development Trust), Nestle, On Line Design, Orsted, OSL, P66, Rotos 360, Siemens Mobility, Singleton Birch, Smith & Nephew, Total Oil Refinery, Triton Knoll, Wren Kitchens

We have recently produced 8 short videos to give you an insight into what you will gain by coming to our events. See them here: www.greenporthull.co.uk/wime-videos

Kindest regards,
Kirsty Clode
Chair, WiME
