Introduction

A new VLE portal has rolled out here at the Engineering UTC Northern Lincolnshire, this is the initial guide outlining access remotely, uploading documents, and navigating the site. Your teachers can track and monitor your learning using this tool.

Login details

The portal is linked to the school's Microsoft credentials. For students you will need to use your login number: 000***@humberutc.co.uk and the password you would usually use to login within school.

Accessing Remotely

A link to the portal is on the main school website www.enlutc.co.uk. If you experience any difficulties logging on remotely please contact ICT support on help@enlutc.on.spiceworks.com

Uploading Documents to Your Personal OneDrive

Documents only you wish to see and use can be uploaded to your own OneDrive area, we are working on policies to automatically upload and sync your current documents, however, this is not currently working. Once this is correctly functioning you will be informed by email.

To upload a document to your OneDrive Navigate to the portal homepage. On the right hand side you will see your name and underneath this a OneDrive button, selecting this takes you to your OneDrive:

OneDrive My Classes My Assignments

Your document area will look something like this:

James Emmett

- My OneDrive
- Recent
- Shared
- Discover
- Recycle bin

Accessing Lesson Resources

On the main menu of the portal you will see the subjects that you study:

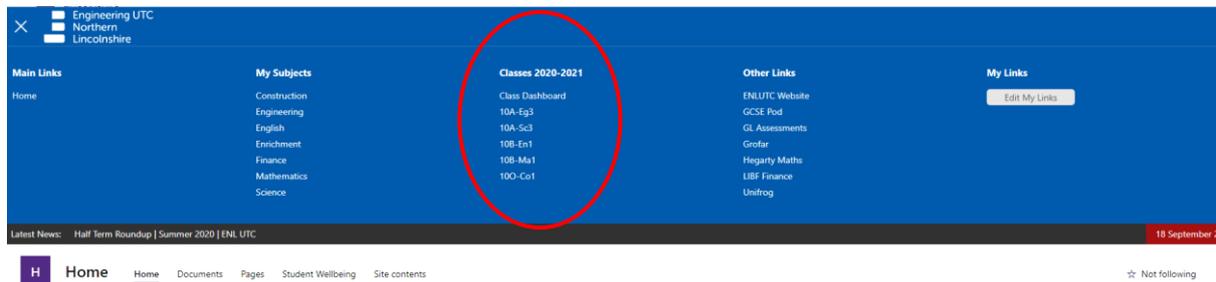

Within this you will find your year group folder where your teachers will be uploading resources for you to access:

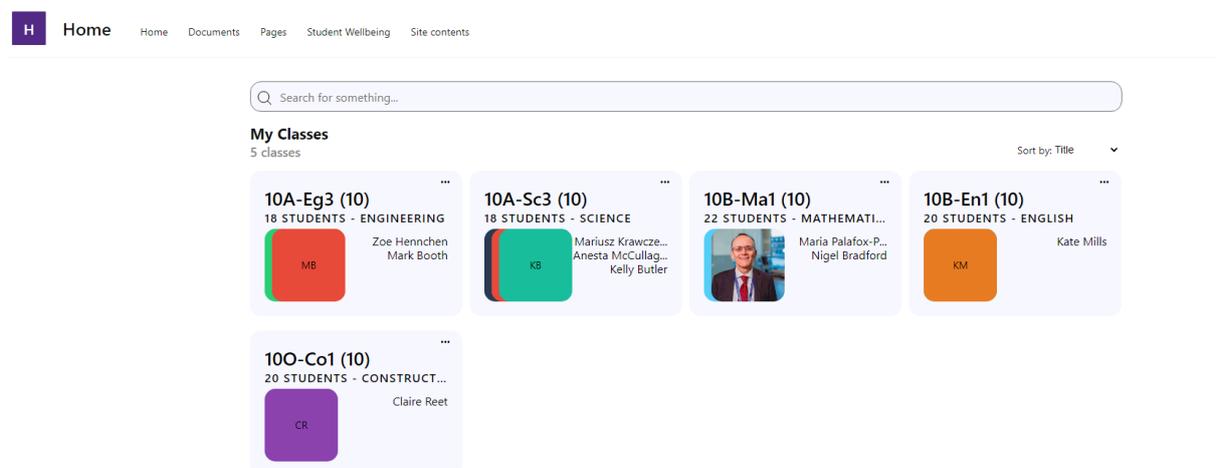

Accessing Classes through Microsoft Teams

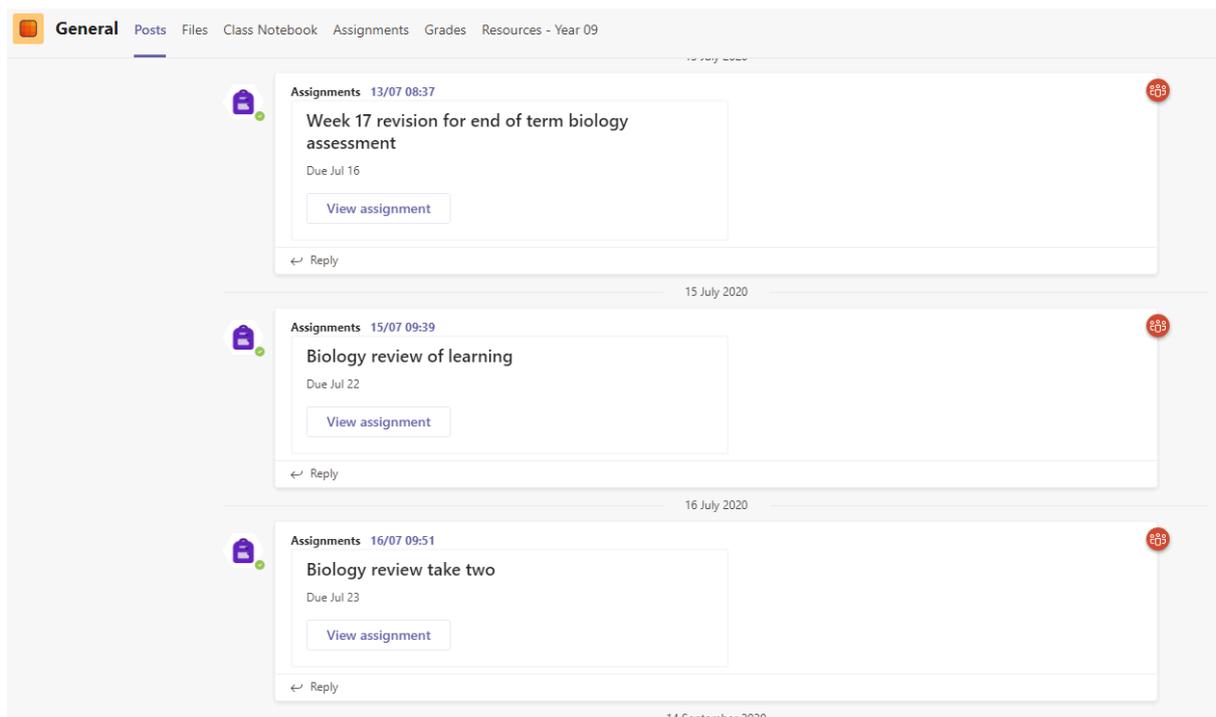

You will also be able to access your class work through Teams. On the main menu you will see your classes:

You can see all of your classes on the Dashboard:

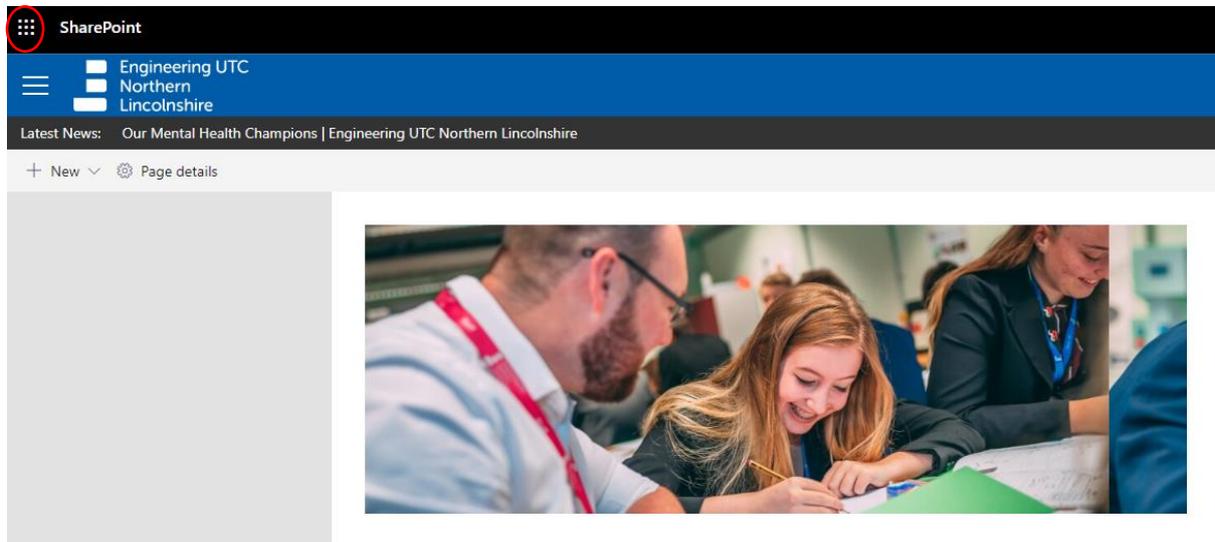

And you can open a class in Teams by clicking it. Here you will find assignments set by teachers:

Accessing School Emails

When you have logged into the portal you can also access your school emails by selecting the black and white dots in the top left hand corner:

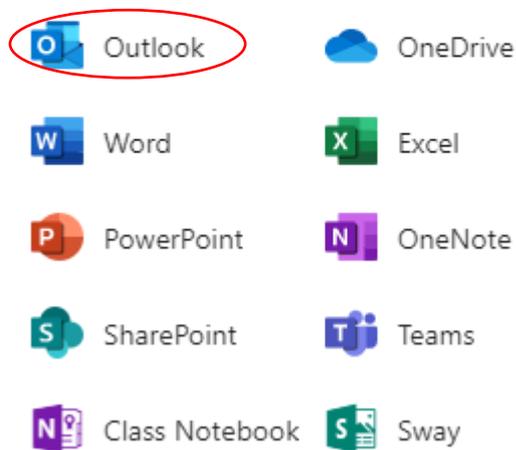

If you then click 'Outlook' this will open your school email account.
