

End of week 1 Parental online Survey Feedback Results

Q10 What was your biggest barrier on getting started with online learning?

- *Lack of IT at home but utc has loaned us one*
- *We didn't have any. It was very smooth.*
- *Up to date technology and communication teething problems*
- *My son found it difficult to find live lessons. I do think this was an issue with Teams as it was requesting an update.*

Q11 Has the ENLUTC been efficient when helping to answer enquiries ?

- *We have only asked one question today and are still waiting a response but understand the time pressures on the staff*
- *Yes, they have been brilliant*
- *Extremely helpful*
- *Yes, very helpful*

Q13 Do you have any additional comments or feedback for our team?

- *You have a great set of staff both teaching and in the office thank you for all that you're doing*
- *I feel the online learning is lacking currently, with regards to confirming work done. There's no feedback as to whether submitted work has been*
- *The UTC are doing a fantastic job in very difficult circumstances. I have completed a parent view questionnaire for Ofsted as I want them to know what a good job you are all doing.*
- *My concern is the pace of lessons to complete the work by the next class. Due to different learning speeds I feel there is no space to adjust ready for the next class. The lessons are fantastic and the UTC are doing a fabulous job under difficult circumstances but the pace is a little overwhelming. I will discuss this further on the weekly welfare call.*
- *Just keep up the great work you are doing it's much appreciated 😊.*
